
Paper: Pledge to quit smoking.

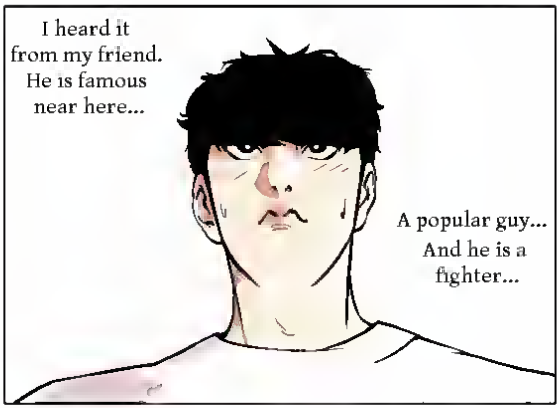
I...I'm wearing a bracelet to cheer for nonsmoking!
I really mean it!

This man.

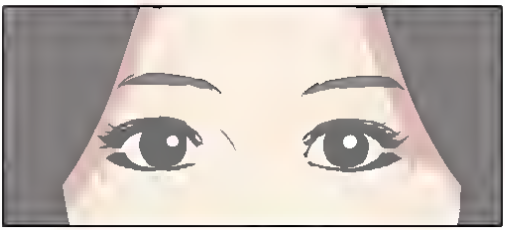
I fell in love with you at first sight!
I'm saying this to you again!

Please go out with me!

He confessed to me again.



Delinquent...

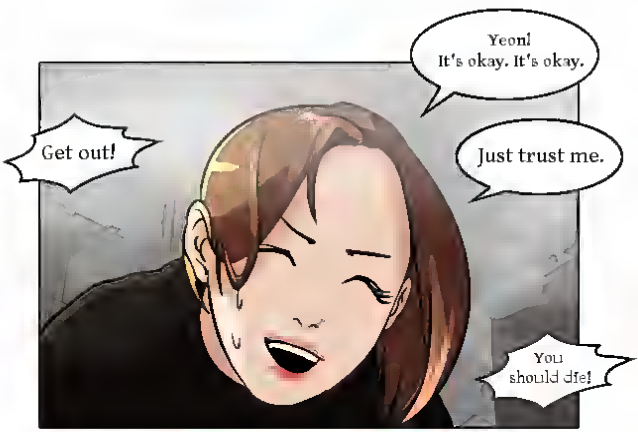


...Me, too.

I had a sister like that.

Dad was always drinking or smoking.

We were living inside a cigarette smoke cage.

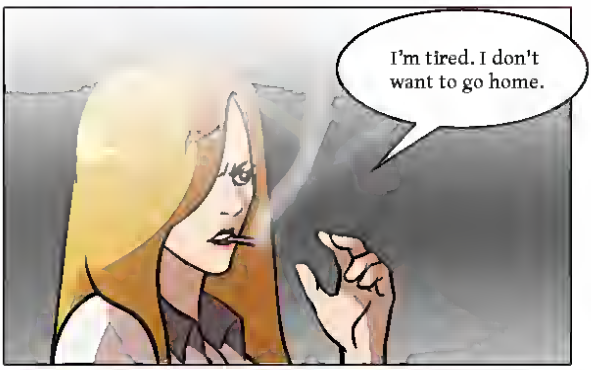


When I needed a guardian,
she became a guardian for me.

As I grew up,
my sister protected
me from my dad.

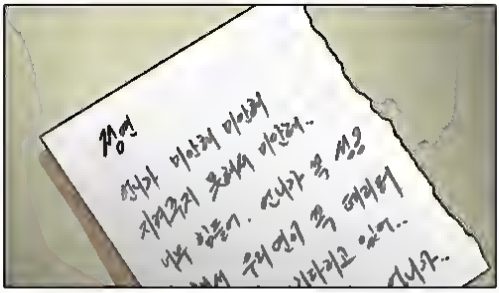
...Could it have been an excuse
that we were growing up
in that environment...?

...She wouldn't have
smoked a cigarette
if she hated it so much.



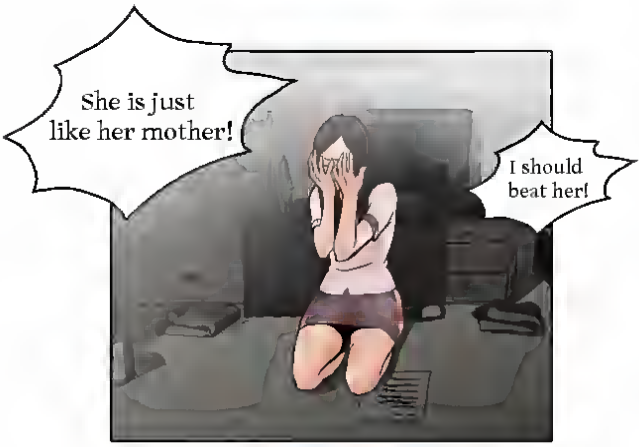
My sister always talked about
how much she wanted to leave.

I was always worried that
she was going to really disappear.



Letter: Dear Yeon Jeong,
I am sorry. I'm sorry. I'm sorry for not protecting you. It was really hard for me... I will be successful and come back to get you.
So please wait for me. Your sister.

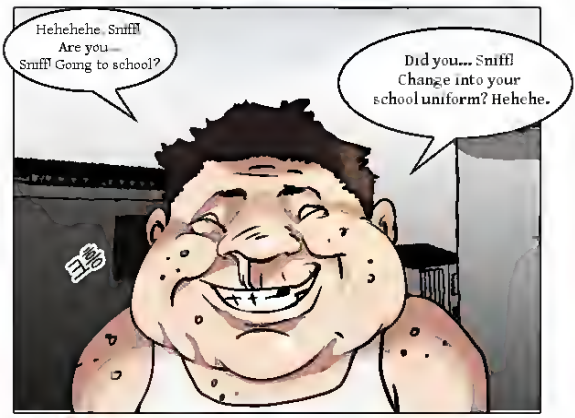
When that worry became reality,



That was the day I lost myself in this world.

I had to be strong for myself.

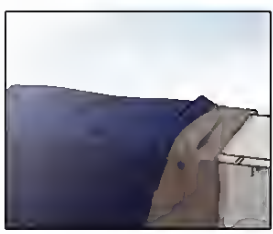
I really hated and was ashamed of the smell of cigarettes, so I washed the school uniform every day and hung it outside to dry. I changed my clothes every morning and went to school.



The guy next door kept trying to talk to me after my sister disappeared.

He didn't dare to talk to me when my sister was around...

Sometimes there was a stain on my school uniform.



After a while, I found my sister.

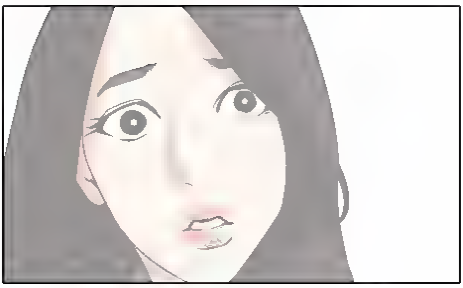
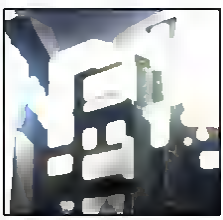
Laryngeal cancer.

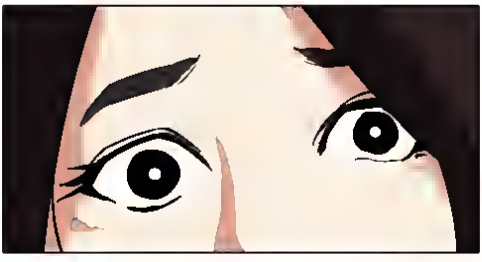


She had secondhand smoking from the time that she was young...



She smoked when she was a teenager...

95% of the time,
the cause of Laryngeal cancer



Is from smoking.

No more.

I don't want to lose...

Anyone precious to me anymore.
